<b>Package Size</b>	1 l	<b>Application Tool</b>	Mop
<b>Packing</b>	Box: 12 x 1 l Pallet: 480 x 1 l	<b>Thinner</b>	Water
<b>Storage and Transportation</b>	+5°C to + 25°C (41°F to 77°F), storable for 36 months, no hazardous material according to ADR	<b>Contents</b>	Less than 5% nonionic surfactants. Further ingredients: perfume oil, METHYLCHLOROISOTHIAZOLINONE, METHYLISOTHIAZOLINONE, BENZYL SALICYLATE
<b>GISCODE</b>	GU 50	<b>pH-value</b>	7,7

### Preparation:

Remove loose dirt and dust in advance with a vacuum cleaner, brush or mop. For the maintenance cleaning mix approx. 100-200ml of LaminatCleaner with 10l of water. In order to remove heavy soilings LaminatCleaner can be dosed higher.

### Information on Use:

Damp-mop the floor with a suitable mop. Using too much water in combination with long contact time might lead to swellings of laminate floorings especially in joint areas and has to be prevented.

LaminatCleaner is also suitable for the use in cleaning machines. In order to prevent an excessive foam generation in the storage basin we recommend adding LOBA Entschäumer (Defoamer) as needed.
